DETAILED ACTION

Allowable Subject Matter

Claims 1-2,5,9-10,12,16,17,30,31,34,38-39 and 41-42 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record either taken singularly or in combination fails to disclose the claimed invention. Dubin references are the closest prior arts, however, the prior arts do not disclose the buffer layer and the further buffer layer as claimed. Furthermore, Dubin's references and the instant application are owned by the same assignee, who is Intel Corporation. (Applicant's remark filed 3/10/05).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tho v. Duong whose telephone number is 571-272-4793. The examiner can normally be reached on M-F (first Friday off).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Keasel Eric can be reached on 571-272-4929. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
